BÚSQUEDA POR OPCIÓN *DOCUMENTS*

La opción de búsqueda, que a continuación se presenta, **permite localizar citas en publicaciones indexadas en TODAS las bases de datos que *Web of Science (WoS)* aloja en su plataforma** y que Ecosur tiene suscritas. En consecuencia, el número de citas que se puede obtener podría ser mayor al número obtenido utilizando la opción de ***RESEARCHERS***. Esto no siempre sucederá así, si has publicado sólo en revistas indexadas en *WoS* o lo has hecho en otras revistas determinará el resultado.

Esta opción también te permite buscar por las diferentes variantes de nombres por las que has publicado, con el ligero inconveniente de que se pueden filtrar autores/as homónimos y tendrás que filtrar y eliminar publicaciones que no te correspondan.

Ingresa a la plataforma:

<https://login.ecosur.idm.oclc.org/login?url=http://webofscience.com>

1. Da clic en Iniciar sesión – **Sign in**
2. Proporciona correo electrónico registrado y contraseña
3. Si no cuentas con registro previo, da clic en **Register** y llena formulario

The screenshot shows the Web of Science login interface. At the top, there's a black navigation bar with the Clarivate logo and language options. Below this, the 'Web of Science' logo is displayed. On the right side, there are buttons for 'Sign In' and 'Register'. An orange arrow labeled '1' points to the 'Sign In' button. In the center, there's a 'Welcome!' message followed by 'Sign in to continue with Web of Science'. Below this, there are input fields for 'Email address' (containing 'amgalind@ecosur.mx') and 'Password' (masked with dots). An orange arrow labeled '2' points to the email field. To the right of the password field is a 'Forgot Password?' link. Below the password field is a '+ Add row' button. At the bottom right, there are 'Clear' and 'Search' buttons. An orange arrow labeled '3' points to the 'Register' button on the right side of the page.

En el menú principal

1. Selecciona **TODAS LAS BASES**
2. Selecciona **campo de Author**
3. Puedes agregar variantes de nombre
4. Da clic en **Search**

The screenshot shows the SIBE search interface. On the left is a vertical menu with icons for home, search, user profile, and notifications. The main area has two tabs: 'DOCUMENTS' and 'RESEARCHERS'. Under 'DOCUMENTS', there is a dropdown menu for 'Search in:' with options: 'All Databases', 'Web of Science Core Collection', 'Derwent Innovations Index', 'KCI-Korean Journal Database', and 'SciELO Citation Index'. An orange arrow labeled '1' points to the 'All Databases' option. Below this, there are two sub-tabs: 'DOCUMENTS' and 'CITED REFERENCES'. An orange arrow labeled '2' points to the 'Author' dropdown menu in the first search row. The first search row contains the text 'CHAME VAZQUEZ E' with a green 'AZ' icon and a clear 'X' button. Below it, there are two more rows, each starting with an 'Or' button and a dropdown menu set to 'Author'. The second row contains 'CHAME-VAZQUEZ EDUARDO' and the third row contains 'RAFAEL CHAME-VAZQUEZ, EDUARDO'. An orange arrow labeled '3' points to the '+ Add row' button. At the bottom right, there are buttons for '+ Add date range', 'Advanced Search', 'x Clear', and 'Search'. An orange arrow labeled '4' points to the 'Search' button.

Verifica que todas las publicaciones sean de tu autoría, si la información es correcta, da clic en **Citation Report** para obtener el reporte de citas y luego sigue las indicaciones de la **diapositiva 10 en adelante**.

RECOMENDACIONES

1. Recuerda que los resultados obtenidos con la estrategia de búsqueda utilizada en esta guía
 - a. Pueden variar con respecto a los resultados obtenidos por la opción de *RESEARCHERS* porque **la búsqueda se realiza en TODAS LAS BASES de Web of Science (WoS).**
 - a. NO siempre representan toda tu producción, debido a que **algunas citas pueden aparecer en revistas no indexadas en WoS.**
2. Si deseas utilizar la opción de búsqueda de **RESEARCHERS**, consulta la guía [Cómo localizar citas a mis publicaciones en Web of Science: Opción Researchers](#)
